ORDERING INFORMATION

All Mopar vehicle care and maintenance products may be ordered via the normal Mopar Parts ordering functions on DealerCONNECT. Mopar vehicle care and maintenance products are stocked at Mopar Parts Distribution Centers (PDC).

DEPARTMENT OF TRANSPORTATION REQUIREMENTS
The U.S. Department of Transportation (DOT) strictly regulates the packaging, labeling and shipping of hazardous materials that are transported via ground or air. Particular restrictions are placed on hazardous materials that can be shipped via air. DOT federal regulations found at 49 CFR Part 172 Subpart H provide that you or your employees are required to receive INITIAL (within 90 days of beginning employment) and RECURRING (minimum of at least once every 3 years) hazardous materials training IF you meet the following criteria:

- If you or any employee ever work in an area involved with the shipping or receiving of hazardous materials or work in the hazardous materials handling area
- If you or any employee are ever involved in any aspect of transporting hazardous materials by ground or air
- If you or any employee are involved with preparing hazardous materials for transport

Mopar recognizes that hazardous materials pose a risk to health, safety and the environment when being transported. Mopar strictly complies with all DOT Hazardous Materials Regulations (HMR) to ensure both a high level of security and employee safety when shipping our products. Mopar’s commitment to HMR compliance includes providing the appropriate packaging and labeling to ensure proper shipping of our products.

It is important that you understand your responsibilities as an employer/shipper and the consequences of failing to comply with federal DOT Hazardous Materials Regulations when shipping or returning vehicle parts and maintenance products to Mopar. By strictly adhering to HMR requirements, you will be able to safely and properly ship any returned parts or maintenance products to Mopar.

For more information on compliance requirements, please visit the DOT Web site at: http://hazmat.dot.gov.

MATERIAL SAFETY DATA SHEETS
The Federal Hazard Communication Standard and many state regulations require that Material Safety Data Sheets (MSDS) be readily available for all applicable products to users of those products. The MSDS provides detailed health, handling and safety information on the particular product.

DealerCONNECT ACCESS TO MATERIAL SAFETY DATA SHEETS
DealerCONNECT Interactive Access to Material Safety Data Sheets (MSDS) allows for quick and easy retrieval of an MSDS for any potentially hazardous part. The following procedure is designed to guide you through the basic steps for interactively accessing a Material Safety Data Sheet (MSDS) through DealerCONNECT.

2. From the DealerCONNECT welcome screen, sign on with your Dealer ID, Password, and Dealer Code, Press the [SUBMIT] key.
3. From the DealerCONNECT homepage, click on the [PARTS] tab.
4. From the Parts page, click on the [MSDS] link under the Reference Library.
5. Type in the Part Number on the MSDS inquiry screen and click on the [SEARCH] key.
6. Select the appropriate product and click on the [DISPLAY MSDS] key.

TO PRINT AN MSDS: Once the MSDS sheet is displayed, click on the [PRINTER] icon on the toolbar to print.

CONTROL INFORMATION
For 24-hour poison control information, call the Security Information Center (248) 576-8888.

The Mopar® Bulk Oil (MBO) program wants to give all FCA US dealers credit where credit is due! Qualifying dealers will need to hit a $12 or greater ratio of oil purchased through the program to unique FCA US vehicle identification numbers (VINs).

**Example 1** *(QUALIFIES FOR REWARDS)*

<table>
<thead>
<tr>
<th>Month 1</th>
<th>Month 2</th>
<th>Month 3 (Current Month)</th>
</tr>
</thead>
<tbody>
<tr>
<td>$2,000</td>
<td>$2,000</td>
<td>$2,000</td>
</tr>
<tr>
<td>500</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

(Prior 3 months Unique FCA US VINs)

If a dealer purchases $2,000 for the current month, $4,000 for the prior two months, and services 500 unique FCA US vehicles, the calculation of $12 meets the $12 minimum threshold per VIN.

**Example 2** *(DOES NOT QUALIFY FOR REWARDS)*

<table>
<thead>
<tr>
<th>Month 1</th>
<th>Month 2</th>
<th>Month 3 (Current Month)</th>
</tr>
</thead>
<tbody>
<tr>
<td>$1,000</td>
<td>$1,000</td>
<td>$1,000</td>
</tr>
<tr>
<td>750</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

(Prior 3 months Unique FCA US VINs)

If a dealer purchases $1,000 for the current month, $2,000 for the prior two months, and services 750 unique FCA US vehicles, the calculation of $4 does not meet the $12 minimum threshold per VIN.

ALL MBO product pack sizes and bulk will be included!

**Combined Oil Metrics = Oil Penetration**

The Oil Penetration target is $12 per unique VIN serviced. It includes all bulk, packaged oil and ATF. The MBO Oil Penetration qualifier will also be used for Dealer Rewards.
1. **MBO Filter Rewards** dealers receive monthly credit based on the retail sales (sold on a CRO, IRO or Service Contract) of the following Mopar® Parts:
   - Mopar Oil Filters – Earn 45% of Dealer Net MBO Rewards credit*
   - Mopar Air Filters – Earn 25% of Dealer Net MBO Rewards credit*
   *MBO Rewards credit requires the retail sale of the Mopar Bulk Oil quart part number on the same repair order.

2. **MBO Quarterly Cash Back** is a quarterly rebate based on the total combined purchases of Mopar Bulk Oil/ATF+4.

3. **An Additional Benefit** of being enrolled in the MBO program is inclusion into special promotions and incentives. 2019 examples: Summer Service Lane incentive, select MSER LOF incentives, Digital LBN Consumer Rush.

4. **Mopar Bulk Oil** 100% interest-free funding through Shell Lubricants for loans up to five years. These BDFs (Business Development Funds) can be used to install equipment that will help grow the dealer’s Express Lane/Oil business. In addition, new eligible funding categories, including local marketing, personnel and technology expenses, have been added to the BDF funding program.

5. **Mopar Bulk Oil** is delivered and invoiced in metered gallons. Dealers must use the bulk quart part numbers listed in the second column that correspond with the gallon part number invoiced to report sales and charge out Mopar Bulk Oil/ATF+4 in the parts section of a CRO, IRO or Service Contract:

6. **MBO Purchases** [CLICK HERE](#) **to earn Dealer Rewards, (dealers can earn up to 9% Dealer Rewards Discount).**

7. **MBO Dealers** [CLICK HERE](#) **to earn Mopar One funds, and earn discounts on Mopar Vehicle Protection® and convenience items.**

8. **MBO Dealers** earn 2% - 4% Parts Return Allowance on Bulk Oil purchased from Mopar.

Please contact Mopar Bulk Oil Headquarters at 800-352-2174 or support@mboprogram.com for more information on the MBO program.
ECOBOX™

PENNZOIL® ECOBOX™ CARTONS FOR ECOBOX™ SYSTEM

One Ecobox™ is the equivalent of 24 single-quart plastic bottles

- **FASTER BAY TIME** because there’s no handling of individual single-quart bottles
- **BETTER INVENTORY CONTROL** thanks to the built-in visual ports with graduated inventory markings, which make gauging oil level easier
- **LESS RESTOCKING** when you compare to restocking bottles
- **BETTER VALUE** because the cost is less per quart
- **FRIENDLIER TO THE ENVIRONMENT** because an Ecobox™ plastic liner results in 89% less plastic landfill waste than the equivalent 24 single-quart plastic bottles. The Ecobox™ carton is also fully recyclable

**PREMIUM DIESEL FUEL TREATMENT**

Increases cetane rating 2-5 numbers. Improves fuel economy and corrosion protection. Removes fuel injector/system deposits and may reduce emissions. Provides exceptional fuel lubricity for reducing fuel pump and injector wear. Improves cold temperature flow for low temperature starting, smoother idling and shortened warm-up time. Stabilizes fuel when in storage. This diesel fuel additive complies with the federal low sulfur content requirements for use in diesel motor vehicles and non-road engines.

GEAR & AXLE LUBRICANTS

FRONT AXLE POWER TRANSFER UNIT LUBRICANT SAE 75W-90
Formulated as a full-synthetic multi-grade, long life 75W-90 GL-5 for use specifically in axles produced by GKN Driveline. Lubricant offers fuel savings and reduced emissions due to balanced viscometric and frictional characteristics. Optimal anti-wear, extreme pressure performance at all ambient temperatures and load conditions.
1 Quart (32 Oz.) Bottle MSQ: 1
Part No. 68280932AA

REAR AXLE DIFFERENTIAL MODULE LUBRICANT SAE 75W-90
75W-90 GL-5 is formulated as a full synthetic for use specifically in axles produced by GKN Driveline. Lubricant is formulated with age-resistant and excellent cold flow properties. It offers excellent thermal and oxidative stability, excellent shear stability, constant viscosity and performance during oil life.
1 Quart (32 Oz.) Bottle MSQ: 1
Part No. 68449546AA

REAR AXLE LUBRICANT SAE 75W-85
Rear Axle Lube for ZF-ELSD Assembly.
1 Liter Bottle MSQ: 4 Bottles
Part No. 68083381AA

REAR AXLE LUBRICANT SAE 75W-90
Rear Axle Lube for ZF-ELSD Assembly.
1 Liter Bottle MSQ: 4 Bottles
Part No. 68449546AA

MULTI AXLE LUBRICANT SAE 75W-90
Fully synthetic lubricant formulated for car differential units where API GL5 is required. Specific formulation warrants total protection of the differential also at the most extreme temperatures. Protects fuel economy and lowers operating temperatures and noise. Refer to vehicle owner’s manual for proper fluid requirements.
1 Quart (32 Oz.) Bottle MSQ: 1
Part No. 68364258AA

GEAR & AXLE LUBRICANT SAE 80W-90
General purpose GL-5 gear lubricant. Use in select Dana axles as specified.
64 Quarts (60.56 Liters) MSQ: 64
Part No. 68218043AA / AMLTIM64** MS-9020

GEAR & AXLE LUBRICANT SAE 80W-90
General purpose GL-5 gear lube. Use in rear axles as specified. Excellent wear and noise protection.
1 Quart (32 Oz.) Bottle MSQ: 12 Bottles
Part No. 68218041AB MS-9020

TUTELA TRANSMISSION HYPOID GEAR LUBRICANT SAE 75W-90
Designed as a high-performance hypoid gear lubricant specifically formulated to withstand extreme pressure and provide lasting protection against surface stress under extreme conditions.
1 Quart (32 Oz.) Bottle MSQ: 1
Part No. 68339072AA
